

# BWF60

## Custom Built to Meet Your Needs

The BWF60 is designed specifically for start-up or smaller operations. This unique Washer/Filler/Capper offers features normally found only on much larger and more expensive bottle washers and fillers.

The bottle filler requires no electricity and is designed to fill up to 60 bottles per hour with very little effort, and is low maintenance.

## Your Complete Package

The Bottle/Wash/Fill Series simplifies your large bottle packaging. In addition to a comprehensive spare parts inventory, you'll receive customer support from our team right here in Lincoln, Nebraska with any Norland purchase.

For nearly three decades, Norland has provided complete equipment solutions for the bottled water industry. As part of this solution, the BWF60 allows you to process 3 and 5 gallon bottles while minimizing labor and meeting or exceeding IBWA and GMP regulations.
